

Open Innovation Materials & Manufacturing Europe

Event Sponsorship & Partnership Opportunities

**Bridging Science and Industry for
Sustainable Innovation at the Nanoscale**

Being a partner of OIM² Europe

OIM² Europe 2027 is a new European forum designed to bridge the gap between cutting-edge research and industrial innovation in advanced materials, nanotechnologies, and sustainable manufacturing.

By focusing on technology transfer and market-ready breakthroughs, OIM² Europe 2027 helps industry grasp emerging opportunities, identify solutions ready for scale-up, and forge partnerships that speed the adoption of sustainable manufacturing technologies.

To this end, OIM² Europe offers a broad spectrum of participation opportunities.

For any questions or to request additional information or personalized participation packages, please do not hesitate to contact us.

TARGETED SPONSORSHIPS

Coffee Break Sponsor (€400–€600)

Sponsor a coffee break and be part of one of the most social moments of the conference. As attendees pause to refresh and network, your brand will be highlighted across conference materials, ensuring meaningful exposure in a relaxed and interactive setting.

Lunch Sponsor (€600)

Host a conference lunch and gain visibility at a prime networking moment. Your support will be recognized in conference communications as attendees share a meal and build connections.

Poster Session Refreshment (€400), Awards Sponsor (€300)

Host the poster and award session and gain visibility during a highlight of the conference.

Conference Dinner Sponsor (€1000+)

Elevate your presence by sponsoring the conference dinner, the event's signature social experience where ideas, people, and opportunities come together.

CO-ORGANIZER PARTNER - 5000 €

The participation as Co-organizer includes:

- The presence of a company/institution delegate in the Steering and Programme Committee of the congress
- One of the two options below:
 1. Organization of one or two 120' thematic sessions (each) on different topics
 2. Organization of one workshop of up to 120'
- Free publication of three posters (on the website and on space available for posting on site). From the fourth poster on: 50% discount
- The publication of the Logo on the website and on the printed material (programme, flyers) in the section dedicated to "Co-organizers"
- 50% discount on additional sponsorships and all the other services available

Conference Venue & Info

The OIM² Europe Conference will be held at the Minatec Conference Center, at the heart of one of Europe's leading innovation hubs, the event will gather around 500 industry, academic, and policy leaders. Rather than simply showcasing scientific results, the conference is built to drive real-world impact.

Minatec Conference Center
3 Parvis Louis Néel,
38054 Grenoble, France
